This is Wendy.
In 2005 she bought a plant
for work.
It stayed with her and the
rest of the Procurement
Crew until Wendy
left...

...and then Sheila started taking
care of it. Sheila was promoted to
Head of Finance in 2010
and the plant moved up in the world.
Sheila has been looking after
this lovely plant ever since...

...but since the introduction
of open plan offices has lost
her office space...

...and so Jamie in the
Admin Office has just
become the proud
new owner!
